

## Consent & Agreement Form for Players Under the age of 18 years (as at 6 June 2023)

### **Background:**

The Australian Curling Federation currently hosts National Championship events overseas where there is a dedicated Curling facility (typically in a very small town in New Zealand about 1.5 – 2 hrs from airports). As such, the Australian Curling Federation is unable to provide supervision of your child(ren) and it will be the responsibility of the parent/guardian to organise an appropriate adult to travel with and supervise your child(ren).

We are committed to keeping children safe and we encourage the involvement of parents/guardians. If you would like to understand more about our Child Safeguarding Policy, please go to the Policies and Documents page [here](#). It can be found under the National Integrity Framework. Children have the right to take part in sport in a safe, positive, and enjoyable environment.

### **Photograph Consent**

I consent to my child(ren)'s photograph being taken by a nominated ACF representative and posted on Australian Curling Federation approved communication use (i.e.: social media like Facebook, Instagram, and website) for June 2023 Nationals - training and competition. An example of this would be official team photographs or photos taken during competition of team or individual Curling on ice. Any such photographs will be taken, stored, and exhibited in line with section 2.7 of Annexure B of the ACF's Child Safeguarding Policy.
